As the global freight & logistics industries merge, our company has an extensive network of partners throughout the world with whom we look forward to being of service to you as a global freight & logistics service provider.

Our aim is to support our customers in every way as a reliable logistics partner.

SERVICES WE OFFER

AIR FREIGHT

CML provides a full menu of air logistics solutions for shipments around the globe and for a wide variety of industries. At CML, we understand that airfreight is a premium and costly service. Working with carefully selected carriers, we operate with schedules on all the world's major routes so you can plan with certainty and become more efficient. We offer a range of highly flexible products which allow a choice of delivery speeds to match your requirements with constant communication, consolidation and inter-modal opportunities.

OCEAN FREIGHT

Sea freight is the slowest method of transport, but if time is not a factor for you then a ship wins every time. And of course, some goods simply cannot go by air due to their size or weight or the fact that they are not permitted on board an aircraft. CML provides flexible and integrated ocean freight services to create the most highly adaptable, reliable and customized solutions in the industry. Our approach starts with having the most experienced and dedicated ocean management team to provide skilled and local expertise in all major trade lanes. With our broad product range we cover different equipment types and consolidation services to ensure your cargo reaches the right place on right time in a cost-efficient way. We can offer you competitive rates, frequent departures and the capacity you need - from and to every major port in the world for below services

- ◆ Full container load (FCL)
- ◆ Less than container load (LCL)
- ◆ Break bulk
- ◆ Non-containerized load
- ◆ Buyer's consolidation services

TRANSPORTATION

Your shipments matter to us. Whether it is a single shipment, a few pallets or multiple full loads every week, we know how to handle your cargo. Safety and Legality is our prime focus. CML Ground transportation specializes in performing value-added, specialized end-to-end handling for high value, high touch products, and time definite services to ensure ultimate satisfaction for our customers. Knowing that India's dependability on Road Transportation is more than 65 % we provide an edge over others by giving innovative and optimized solutions to reduce the cost per delivery.

We offer Transportation services as per below

- ◆ Trailer Movement (Container Movement)
- ◆ Full loads shipments
- ◆ Part loads shipments

CUSTOMS CLEARANCE

Customs Clearance requires a superior level of expertise in identifying the type of commodity, its correct classification, the duty applicable. With the help of right research and knowledge base on government schemes, we advise our Customers on the current norms of Customs Clearance whether its Import or Export.

CML clearing agents, being some of the most experienced, will cater to your needs and strive for perfect execution.

Our expertise in handling a variety of goods; guaranteeing that your shipment will always arrive at its destination while avoiding predicaments and penalties.
